### Quantore joins INTERACTION

INTERACTION, the European alliance of Office Products and Business Supplies-distributors, is proud to welcome Quantore as its latest member.

Quantore is a modern wholesaler based in Beuningen, the Netherlands, and active across the whole Benelux market. The annual turnover is 140 mio. EUR

With the addition of the Dutch wholesaler to its membership, INTERACTION is now present in over 23 countries in Europe, and after an absence of 8 years, the alliance is back in the Benelux.

Quantore will participate in the INTERACTION key-vendor agreements as well as distribute the Q-CONNECT house-brand across its territory.

Jan Van Belleghem, the INTERACTION MD comments: "Quantore, as a professional broad-line distributor with a dedicated team, state of the art logistics and short decision-making processes in place, is a perfect match with the profile of the other INTERACTION members. Being the largest Office Products and Business Supplies wholesaler in the Benelux, Quantore strengthens our organisation even further."
